## Required Solo Performance

The students may select from the two options listed below to satisfy the required solo performance. Students, who are academically ineligible, must choose option #1. If you pass all classes on your 2nd 6 weeks report card, you are eligible. If you fail a class on the 2nd 6 weeks report card, check with your band director to determine eligibility.

**Option 1:** Perform in front of the class in the main band hall on Wed., Jan. 28 during class. The band hall will be set up in a recital format with the student performing in the front of the room. The performance will be graded in the same manner as a chair test.

**Option 2:** Students may play at the **solo and ensemble contest on Tuesday, Jan. 27th** at Kerr Middle School. Students will perform in front of one judge. Students who choose to perform at the solo contest will receive a "100" for a 1st Division rating, a "90" for a 2nd Division rating, and an "80" for a 3rd Division rating. The cost of the solo and ensemble contest is \$8.00, per person per event. Students receiving a first division rating will receive a medal. Outstanding soloists will also be awarded. You may sign up for a time. Times will run from 4:30pm-7:30pm.
